Reference: Mid-Year Report (1/1-6/30/01)

Dear Sir,

Regarding our Mid-Year 2001 FEC report, it has come to our attention that the contributions listed as from J. M. Graves on 6/21/2001 for \$1,000 and from Jack Graves on 3/16/2001 for \$1,000 were actually from the same person. This oversight and the resultant excess were not detected until this date. Since we are beyond the deadline to request redesignation from the contributor, we have promptly refunded the \$1,000 in excess for the primary election.

Enclosed is a copy of page #143 from our original report as well as a copy of the entries as they appear now that the records have been merged and updated, including a memo referencing the refund. (The actual refund will appear on our next report.) Also enclosed is a copy of the summary pages showing no changes in dollar amounts since our last amendment.

Please let us know if you require additional clarification or if you have any questions concerning this amendment.

Respectfully submitted,

Jerry Bowser
Treasurer
